Subject: EPA CASAC Appointment

Dr. Frampton,

Congratulations on your invitation to serve on the EPA Clean Air Scientific Advisory Committee. Please find attached, your invitation letter from the EPA Acting Administrator Andrew Wheeler inviting you to serve as a member of the CASAC. Over the past year the CASAC has engaged in a variety of advisory activities of significant importance to the EPA. I have every expectation that in the days ahead the agency's need for the expert advice and guidance that only the CASAC can provide will be in even more demand. Your contribution to future agency efforts is much needed and appreciated.

Please return the acceptance form to Aaron Yeow, the Designated Federal Officer for the CASAC, by email at your earliest convenience. A hard copy of the invitation letter is in the regular mail. Thank you for your consideration.

As the Acting Administrator is planning on making a formal announcement regarding CASAC membership in early October, we kindly ask that you do not discuss or announce the status of your appointment until then.

Thank you and congratulations,

Tom Brennan
